

# COMPRESSORS

These versatile handy compressors are the perfect size and capacity for use with the smaller Rustibus® machines, the R20 and R30 models. Their light weight gives them a handeuvrability that enables them to deliver enough air when you need it!

Technical Specification:		
Model:	5900	6000
HP / Kw:	5.5 - 4.1	7.5 - 5.5
Volt / Hz:	3 x 220 (440/60 on request)	
Max. Pressure (Bar / psi):	11 / 160	
Free Air at 6 Bar (l/min / cfm)	520 / 18.5	700 / 25
RPM:	1420	1400
